**Dear Sirs,**

**Greetings**

We are a Jordanian Civil Society Organization named “**Media without Borders – Jordan**” League.

We are sending your good selves this letter to express our great concern and shock about the recent attempt of assignation perpetrated against one of our friends and partners, the respected Mr. Parvez Imroz, a citizen and peace and human rights activist in Srinagar – Kashmir.

In the evening of June 30<sup>th</sup>, Mr. Imroz and his family were brutally harassed and attached at their residence by a group of men dressed in CPRF (Central Reserve Police Force) and SOG (Special Operations Forces) uniforms.

Advocate Imroz is co-founder of the Jammu & Kashmir Coalition of Civil Society (JKCCS) and the Association for Parents of Disappeared Persons (APDP). He is a distinguished human rights lawyer and recipient of the Ludovic-Trarieux International Human Rights Prize of 2006.

He is also co-convener of the International People's Tribunal on Human Rights and Justice in Indian-administered Kashmir (<http://www.kashmirprocess.org>).

By this message, we wish to express our confidence in your security and judicial systems to ensure thorough and full investigation of this serious incident and refer the criminal perpetrators to justice.

We would like also to stress on the importance and necessity of ensuring full protection and safety of civil society peace and human rights activists in general, in line with Universal declaration of Human Rights and other related international laws.

Thanking you for your kind action,

Kindly receive our best regards.

**We remain**

**Yours Respectfully**
